Guidelines

This is a juried show, organized by the Appalachian Artisans Guild. All items for sale must be made or hand crafted by the artist exhibiting them. No resale items are accepted. New vendors must enclose 3 photos of your work with your application. Include a self-addressed, stamped envelope if you wish your photos returned.

We will consider jurying a new vendor using web sites showing examples of their work.

Deadline for applying: February 15, 2012

Confirmation of acceptance will be made by February 20.

To create attractive and neat booths, we expect all display tables to be covered with fabric or table cloths, with the exception of finished furniture items. All set up items, such as storage containers, should be kept out of sight. Remember, presentation is important!

All exhibits must be show-ready by 9:30 Saturday morning, and must remain in place until 5:00 P.M.

On Saturday morning, please leave your vehicle at the far end of the parking lot, to give easier access to our visitors.

We will attempt to have volunteers available to watch your booth during the day, should you need a break.

Location of the Gateway Center can be found at www.appartguild.com/event
